To,

**The Corporate Relations Department
BSE Limited**

PJ Towers, 25th Floor,
Dalal Street, Mumbai - 400 001.

Company Scrip Code: 542851

Dear Sir/Madam,

Sub.: Genosl bags 22.5 Crores orders for building solar power projects of 10.7 MWp cumulative capacity in Gujarat, Karnataka and Madhya Pradesh

Ref: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), we would like to inform you that the Company has in the month of December, 2021, in normal course of business, received purchase orders from reputed clients for the development of solar power projects aggregating to a capacity of around 10.7 MWp in the states of Gujarat, Karnataka and Madhya Pradesh. The cumulative order value of these projects is pegged at over Rs. 22,50,00,000.00 (Indian Rupees Twenty-Two Crores and Fifty Lakhs Only) exclusive of taxes. Out of the total ordered capacity, rooftop projects totalling to around 6.3 MWp are turn-key EPC contracts, while the 4.4 MWp ground-mount project is for execution of balance of systems (without modules and inverters).

We request you to take the above information on your records and disseminate the same on your respective websites.

Investor Release

Gensol Engineering Limited Secures Purchase Orders to develop Grid-Connected Ground-mount and Rooftop Solar Power Generation Systems cumulating to 10.7 MWp.

Gensol Engineering Limited ("The Company") has in the month of December, 2021 in normal course of business, received purchase orders from our reputed clients for the development of solar power projects aggregating to a capacity of **around 10.7 MWp in the states of Gujarat, Karnataka and Madhya Pradesh**. The cumulative price of these projects **is pegged at over Rs. 22,50,00,000.00 (Indian Rupees Twenty-Two Crores and Fifty Lakhs Only)** exclusive of taxes.

While most of the projects are for captive use of the clients, one of the projects is for third-party sale in the state of Gujarat. All these projects are slated for commissioning before 31st March 2022 and will entail a cumulative revenue of over Rs. 22,50,00,000.00 (Indian Rupees Twenty-Two Crores and Fifty Lakhs Only) exclusive of taxes.

As of 29th December 2021, the cumulative **order book stands at more than Rs. 131.00 Crores (One Hundred Thirty-One Crores Only)** following the closure of these projects.

About Gensol Engineering Limited;

Incorporated in 2012, Gensol Engineering Limited is a part of Gensol group of companies, which offer **EPC and solar advisory services**. The company is engaged in providing technical due diligence, detailed engineering, quality control, construction supervision, and other consulting services for solar projects across many countries, including India. Being a **one-stop solution** for a value chain of the solar industry, it provides advisory services to leading project developers, leading institutions, solar EPC companies, and **government policymaker**. Under EPC business, the company manages turnkey engineering,
