INDEPENDENT AUDITOR'S REPORT

CERTIFICATE NO: MAY/19-20/02
UDIN NO: 19119808AAAADA2781

To the Members of **GENSUN RENEWABLES PRIVATE LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **GENSUN RENEWABLES PRIVATE LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2019, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019 and profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the

provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's

report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

Annexure – B to Independent Auditor's Report on Standalone Financial Statements

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of GENSUN RENEWABLES PRIVATE LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **GENSUN RENEWABLES PRIVATE LIMITED ('the Company')**, as of March 31, 2019 in conjunction with our audit of the Standalone Financial Statements of the Company for the period ended and as on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of Internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

GENSUN RENEWABLES PRIVATE LIMITED

Notes to Standalone Financial Statements

for the Period From 2nd February 2018 to 31st March 2019

1 Corporate information

GENSUN RENEWABLES PRIVATE LIMITED (the Company) is a private company domiciled in India and incorporated under the provisions of Companies Act, 1956. Gensun Renewable Private Limited is engaged in power production activity. GRPL is engaged in the business of design, supply, erection, testing, commissioning, operating and maintenance power plants, including grid connected rooftop power projects. The Company was incorporated on 8th February, 2018.

2 Summary of significant accounting policies

a. Basis of Preparation of Financial Statements & Use of Estimates

The Financial Statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these Financial Statements to comply in all material respects with the accounting standards notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014.

The Financial Statements have been prepared on an accrual basis under the historical cost convention. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

The preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the years in which the results are known / materialize.

b. Current & Non- Current Classification

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle as 12 months and other criteria set out in Revised Schedule III to the Companies Act, 2013. Based on the nature of activities and time between the activities performed and their subsequent realisation in cash or cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

c. Cash and Cash Equivalents (For Purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposit with banks. Cash equivalents are short-term balances (with an original Maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

d. Cash Flow Statement

The Cash Flow Statement has been prepared in accordance with the indirect method prescribed under Accounting Standard - 3 of the Companies (Accounting Standards) Rules, 2006 (as amended). whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

e. Tangible Assets

Fixed assets are stated at cost of acquisition or construction less accumulated depreciation / amortisation and impairment losses, if any. The cost comprises of the purchase price and any attributable cost of bringing the assets to its working condition for its intended use.

f. Capital Work in Progress:

Capital work in progress includes the cost of fixed assets that are not ready to use at the balance sheet date and advances paid to acquire fixed assets before the balance sheet date.

g. Investment

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments.

Long-term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management.

Current investments are carried at the lower of cost and fair value, computed category wise.

GENSUN RENEWABLES PRIVATE LIMITED

Notes to Standalone Financial Statements

for the Period From 2nd February 2018 to 31st March 2019

h. Depreciation

i) Depreciation on fixed assets is calculated on written down value method (WDV) using the rates arrived at based on the Useful Life as specified in Schedule II of the Companies Act, 2013.

Type of Assets

Solar Plant

Useful Life (In Years)

25.00

ii) Depreciation on assets acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition/disposal.

i. Leases

Assets acquired under lease where the Company has substantially all the risks and rewards incidental to ownership are classified as finance lease. Such assets are capitalised at the inception of the lease at the lower of the fair value or the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

Assets acquired on leases where a significant portion of the risks and rewards incidental to ownership is retained by the lessor are classified as Operating Lease. Lease rentals are charged to the Statement of Profit and Loss on straight line basis. The Company's significant leasing arrangements are in respect of operating leases for premises. The leasing arrangements which are not cancellable range between 11 months and five years generally, and are usually renewable by mutual consent on agreed terms. The aggregate lease rentals payable are charged as rent including lease rentals.

j. Revenue recognition

i) Revenue (income) is recognized when no significant uncertainty as to the measurability or collectability exists. Revenues from services are recognised immediately when the service is provided. Sale of Goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer.

ii) Interest income is accounted for on an accrual basis.

iii) Dividend income is accounted for when the right to receive income is established.

k. Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are recognised in the Statement of Profit and Loss in the period they occur.

l. Impairment of Assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Statement of Expenses in the period in which an asset is identified as impaired. The impairment loss, if any, recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

m. Foreign exchange transactions

i) Transactions denominated in foreign currencies are normally recorded at the exchange rates prevailing at the time of the transaction.

ii) Monetary items denominated in foreign currencies at the balance sheet date are restated at the rates prevailing on that date. All exchange differences arising on settlement and conversion of foreign currency transaction are included in the Statement of Profit and Loss.

iii) Non monetary foreign currency items are carried at cost.

n. Employee Benefits

(i) Short Term Employee Benefits

Short term employee benefits are recognised as an expense on accrual basis. Short term Project related employee benefits are recognized as an expenses at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

GENSUN RENEWABLES PRIVATE LIMITED

Notes to Standalone Financial Statements

for the Period From 2nd February 2018 to 31st March 2019

(ii) Post Employee Benefits

a) Defined Benefit Plan:

Gratuity being a defined benefit scheme is accrued based on actuarial valuations, carried out by an independent actuary as at the balance sheet date using the projected unit credit method.

Actuarial gain and losses in respect of post employment and other long term benefits are recognised as per actuarial assumptions in the Statement of Profit and Loss in the period in which they arise.

b) Defined Contribution Plan :

Provision is made for compensated absence based on actuarial valuation, carried out by an independent actuary as at the balance sheet date.

Company's contribution to Provident Fund, Employees' State Insurance Fund and labour welfare fund which are defined contribution plans determined under the relevant schemes and/or statute are charged to the Statement of Profit and Loss when incurred. There are no other obligations other than the contribution payable to the respective funds.

Termination benefits, if any, are recognized as an expense as and when incurred.

o. Provisions, contingent liabilities and contingent assets

Provisions involving substantial degree of estimation in measurements are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

p. Segment reporting

In accordance with Accounting Standard 17 "Segment Reporting" as prescribed under Companies (Accounting Standards) Rules, 2006 (as amended), the Company has determined its business segment as Solar EPC/Consultancy. Since, there are no other business segments in which the Company operates; there are no other primary reportable segments. Therefore the segment revenue, segment results, segment assets, segment liabilities, total cost incurred to acquire segment assets, depreciation charge are all as is reflected in the financial statement.

q. Related Party transactions

Disclosure of transactions with related parties, as required by Accounting Standard 18 of the Companies (Accounting Standards) Rules, 2006 (as amended). "Related Party Disclosures" has been set out in a separate statement annexed to this note. Related parties as defined under the said Accounting Standard (as amended) have been identified on the basis of representations made by management and information available with the Company.

r. Earning Per Share

The Company reports basic and diluted earnings per share (EPS) in accordance with the Accounting Standard 20 as specified in the Companies (Accounting Standards) Rules, 2006 (as amended). The Basic EPS has been computed by dividing the income available to equity shareholders by the weighted average number of equity shares outstanding during the accounting year. The Diluted EPS has been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at the end of the year.

s. Taxes on Income

i) Provision for income tax is made on the basis of estimated taxable income for the year at current rates.

Current Tax represents the amount of Income Tax Payable in respect of the taxable income for the reporting period as determined in accordance with the provisions of the Income Tax Act, 1961.

ii) Deferred Tax

Deferred tax charge or credit is recognized using enacted or substantially enacted rates at the Balance Sheet date. In case of unabsorbed depreciation, deferred tax assets are recognized only to the extent there is virtual certainty of realization of such assets. Other deferred tax assets are recognized only to the extent there is reasonable certainty of realization of income in future. Such assets are reviewed as at each balance sheet date to reassess realization.

t. Though other Accounting Standards also apply to the company by virtue of the Companies (Accounting Standards) Rules 2006 (as amended), no disclosure for the same is being made as the company has not done any transaction to which the said Accounting Standard apply.

Notes:

The Company evaluates impairment losses on the items of property, plant and equipment whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. If such assets are considered to be impaired, the impairment loss is then recognised for the amount by which the carrying amount of the assets exceeds its recoverable amount, which is the higher of an asset's net selling price and value in use. For the purpose of assessing impairment, assets are grouped at the smallest level for which there are separately identifiable cash flows. The Management has reviewed the recoverability of the assets and has concluded that no indication of impairment exists and hence, no impairment of asset is required.
